Hugging Pain #3

His Grace is Enough

2 Corinthians 12:7-10

Is there enough grace from God to get us through those persistent, even permanent, crippling pains? Paul teaches us ways to receive God's grace in our inhibiting pains.

1. Ask God to take away the pain.

Grace for relief.

2. Accept God's will in pain.

Grace that's enough.

3. Appropriate God's grace through pain.

Grace that is made known.
